

Customer Service Excellence

How to Provide Quality Customer Service

DESCRIPTION

Through our innovative training approach, our high-energy, interactive session will motivate and reward customer service representatives.

Filled with role plays and best practices, our training will help participants to turn satisfied customers into loyal customers by introducing effective strategies and techniques for promoting customer loyalty, which is the key to increasing revenue. Participants will learn to identify customers' needs, to build value before quoting rates, to establish rapport and finally to complete sales.

THIS PROGRAM WILL HELP PARTICIPANTS TO:

- ✓ Clearly define "Customer Service"
- ✓ Identify the importance of Customer Loyalty in service providing organisations
- ✓ Adopt a "Positive Service Attitude"
- ✓ Deliver effective service techniques which exceed customer expectations
- ✓ Introduce Up-selling techniques to maximise revenue
